

What: AB Browncoats Range Day & BBQ

Ever wanted to shoot off a gun similar to one in our favourite show and movie? Now you can. We're planning a fun & safe day out at the range. Instruction will be provided and we'll hold a campfire (well, BBQ) cookout at the range.

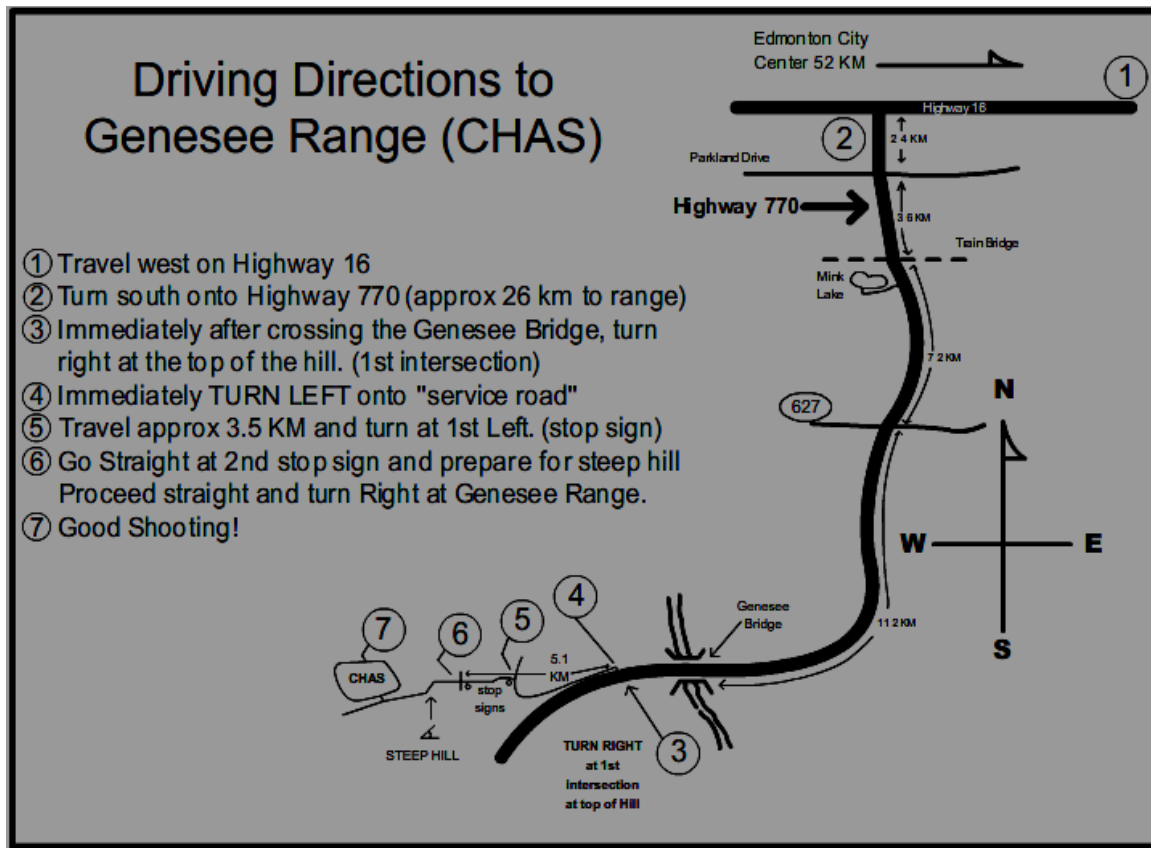

When: Sunday, August 25 – 11 am – 5pm

- BBQ will take place BEFORE the shoot

RAIN DATE: Saturday, Sept 21 – 9 am – 3pm

- BBQ will take place AFTER the shoot

Where: Canadian Historical Arms Society (CHAS) Genesee Range

To help us determine how many Ammo packs and how much food is required, we request that you **RSVP by August 15th**.

Fees & Additional Info:

- **Range Fee:** \$10. This is a mandatory insurance fee that must be paid to the CHAS representative when you sign in to the event.
 - *Existing CHAS members* do not have to pay this fee as it is covered in your annual membership dues.
- **Range Behaviour:** For this shindig we will be the guests of one of our main sponsors, CHAS. The members of CHAS have sponsored the AB Browncoats since the beginning of our endeavours. Please respect the rules and regulations of their range. ONLY authorized targets are allowed to be shot. If you are caught shooting other than authorized targets or behaving in a dangerous manner you will be required to leave the range.
- **Ammunition: *Basic Package* = \$17.** Ammunition will be packaged in a combination of five calibres & one shotgun gauge. The packages include one full load for each firearm used.
 - There will also be a pay-per-use fee option for ammunition. Your costs will be based on which guns you choose to shoot and how many rounds you shoot. Ammunition fees will vary.
 - Complete details of the ammunition package, a breakdown of individual fees, and a list of available firearms to shoot are included on pages 3 - 5 of this document.
 - Please bring sufficient cash to cover your ammo costs.
- **Personal Firearms:** Registered gun owners with the proper transit permits may bring their own firearms and ammunition to the range. Please respect any limits that the CHAS representatives place on the use of their range.
 - *Existing CHAS members* may bring any firearms and ammunition that meets their CHAS range requirements.
- **BBQ** – We will be serving hotdogs and hamburgers. Pop, chips & water will also be available. Please be advised, **if you have special dietary needs you MUST notify us 1 week in advance** so we can arrange for a suitable option.
 - Gluten free/Nut free burgers & hotdogs will be standard items served.
 - GF buns will be limited to those who have notified us in advance of their special dietary needs.

CAN YOU HELP? CAR POOLING

Not all of our members have a vehicle available to them. If you are able to offer a seat to another member in order to car-pool to the range, please indicate your availability in the [Alberta Browncoats Facebook Shindig Forum](#) topic.

Alberta Browncoats Range Day Firearms & Ammo Pricing

Ammunition will be packaged in a combination of five calibres & one shotgun gauge to allow a fairly good value as well as a decent amount of shooting pleasure. They have been priced by the 'magazine' (one full load for each firearm used). If you enjoy shooting, you may purchase more than one package.

In addition, extra cartridges will be available separately. Please see the list below for price per cartridge. If you decide that you do not enjoy any of the firearms, you may swap ammo with others in the group by your mutual consent.

If you wish to bring your own firearms and/or ammo, please feel free to do so.

Pictures & descriptions of the firearms Paul McCormack (President of CHAS) will be supplying for us to shoot are included below.
